

# The Rosewood Voice

May we never forget, 9/11.

## Bright Star Elementary School

Through the efforts of Linda Hesse, and a few of our other residents, we were able to make Principal McGill's day, by donating several items to

help out the teachers and students at Bright Star Elementary School. Principal McGill was surprised, excited and grateful. We will continue to

support the school through various campaigns. Thanks to all who helped out in this endeavor.

The Board wants to recognize and applaud Calvin Pate, a resident of Rosewood, who stepped up to lend his support to the community by preparing and installing all of our street signs. All of this hard work was done by him for us as a way of saying he cares about Rosewood. We appreciate you. Thank you, Calvin!
